Dear Dr. Bruce Hofmann:

I would like personally to take this opportunity to thank you for your participation in the first presentation of Neuro Emotional Technique to the University of Miami's Department of Psychiatry and Behavioral Sciences Annual Faculty Retreat on June 13th, 2003.

Your role in supporting Dr. Dan Monti's, M.D. presentation to the faculty on this momentous occasion was sincerely appreciated. The contribution and coordination of the presentations as part of the eight certified doctor team, was not unnoticed to both staff and faculty in attendance and certainly added to the excitement generated by such an occasion.

Your role as a certified N.E.T. practitioner has helped the University Of Miami's School of Medicine open the doors to new and exciting alternative medical procedures that are now available. Thank you for your attendance, participation and support. I enjoyed your contributing spirit and look forward to working with you again in the near future.

Sincere Regards,
